【校服換季】

8 April 2024

Dear Parents,

We would like to inform you that as the weather gradually becomes warmer, it is time for students to make the transition to their summer uniforms. The official date for changing into summer uniforms is Thursday, 2 May 2024. Starting from that day, students are expected to come to school dressed in tidy and appropriate summer uniforms. If necessary, students are permitted to wear the specified school pullover along with their summer uniforms.

During the optional period from 9 April 2024 to 1 May 2024, students have the choice to wear either their summer uniforms or stick with their winter uniforms. This period allows flexibility according to individual preferences.

For detailed information regarding the regulations concerning summer uniforms and appearance, we kindly request you to refer to the students' handbook and the document titled "*Regulations on Students' School Uniform and Appearances (Summer)*" that has been distributed to your child. Please remind your child to closely adhere to these regulations.

Thank you for your attention.

Yours faithfully,
