【2020-2021 統一測驗安排】

12 March 2021

Dear Parents,

The Uniform Test of the school year will be held from 23 March 2021 (Tuesday) to 25 March 2021 (Thursday), 29 March 2021 (Monday) to 31 March 2021 (Wednesday). Please find attached herewith the test schedule and examination regulations for your reference, and please encourage your children to work hard for the test and strive for better performance. Below are several issues to be noted:

- (1) If there is a clash with school suspension announcement by the Education Bureau due to epidemic situation, the new arrangement of the examination will be notified separately.
- (2) If parents concern about the epidemic situation and would like to apply for leave, please submit a parent letter at least one working day before. The school may waive the examination at its discretion according to the situation.
- (3) If a student suffers from any illness and should be absent from the test, **effective medical certificate has to be handed in to the General Office upon returning to school** for exemptions of examinations.
- (4) The examination for mainland students is conducted simultaneously with the one in Hong Kong. Details will be notified separately.
- (5) To avoid gathering of crowds, students are reminded to return home as soon as possible after the examination.
- (6) The school starting and ending time during the uniform test period will be different from the normal one. Students **must arrive at school 15 minutes before the start of the examination** or will be deemed late. As the Education Bureau has announced only one-third of the total number of students could be arranged back to school, details are listed below:
