20 June 2022

Dear Parents,

Our school was informed on 18 June 2022 that one of our F.2 students has been classified as an infected person with COVID-19. The student's last school day is 17 June 2022 (Friday). If there are any new updates, students and parents will be notified as soon as possible. The school will conduct a comprehensive sanitization and cleaning of the campus.

Parents please pay close attention to the health of your child. Students should avoid going to crowded places with poor ventilation and should maintain a balanced diet, exercise regularly, and take adequate rest in order to strengthen their immunity. If students are feeling unwell, please consult a doctor promptly and notify the school immediately.

Yours faithfully,

Principal Wong Wai Keung
