【學校特定活動日】

1 December 2023

Dear Parents,

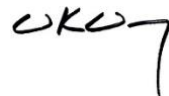

We are delighted to inform you about the School Special Activity Day scheduled for 21 December 2023. This day promises to be an exciting and enriching experience for our students, fostering personal growth, teamwork, and character building.

Students from S1, S2, and S5 will have the opportunity to visit the Eslite Spectrum Causeway Bay Bookstore. This activity promotes an enthusiasm for reading and the enhancement of literary knowledge. For S3 students, we have organized an overnight character-building camp that will contribute to their character development. S4 students will participate in a character-building day camp with a similar learning experience. As for S6 students, we have planned a thrilling zipline adventure challenge. Under the supervision of trained professionals, students will navigate through ziplines, overcome obstacles, and embrace the thrill of the adventure. Please refer to the (Appendix 1) for event details.

The School Special Activity Day is considered as a normal school day. While exemptions may be granted for valid reasons, students are expected to attend school and participate in other learning activities if they are unable to join the activity day. It is mandatory for students to submit medical certificates and a leave application letter signed by their parents. Failure to do so will result in the absence being treated as truancy. For further information, please refer to the School Rules Handbook.

Thank you for your attention.

Yours faithfully,

Principal Wong Wai Keung
